

## Messages from the Board

The Board in their March meeting asked for some additional community support. So, the following were appointed:

Assistant Treasurer – Tony Nisse

Assistant Pool Coordinator – Keith Morgan

We are looking for some people who would be willing to take notes at the Board meetings and transcribe them. If anyone is interested in helping with this, please let Becky Swain know.

## Grandview Farm Calendar

You will be sent the annual Grandview Farm Calendar in an email that will be sent out this weekend. So be watching for this! We are looking forward to doing an Annual Condo Breakfast on August 17<sup>th</sup>. So, mark your calendars.

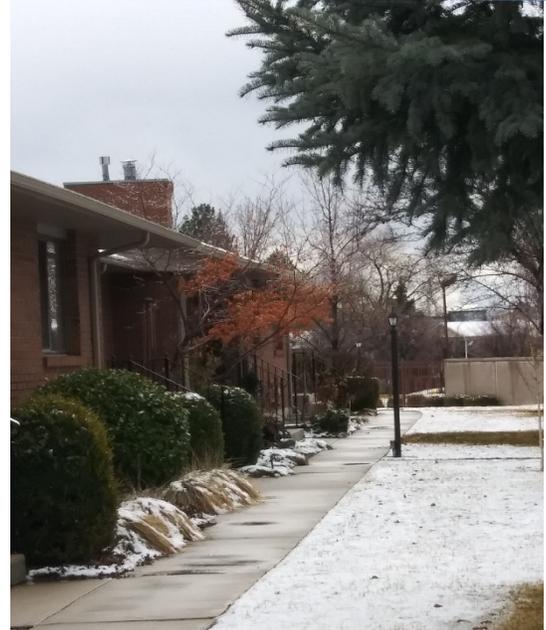

### Clubhouse Schedulers

March	Ann Terry	373-5072
April/May	Gerda & Bob Edmunds	356-0013
June	Karen Rhodes	225-7659
July/Aug	Annette Burnett	375-7342

## Grandview Ladies Luncheon

Monday, May 11th at 10:30 a.m.

Speaker—Rebecca Gregory reports on her Humanitarian Mission

## Winter Water

This year we have had excessive winter water in the form of snow and rain. It is important to be vigilant in watching how water is draining around your unit and keep us informed.

## Gutter Clean-Out – Last Call

If you feel your gutters need cleaning out of leaves please contact Bryan Rust by email: rustycoinz1@hotmail.com or text at 801 420-0602.

## Garage Doors

We have had so many positive comments concerning the new garage doors. As this project is now completed, we ask those who still have unpaid balances to get those amounts caught up. If you have questions concerning this, please contact Terri Jenson Kuykendall.

## **Patio Gates and Window Grates – Last Call**

In the spring we will be arranging for painting of the patio railings and/or your window grates. **PLEASE BE AWARE THAT THESE THE RESPONSIBILITY OF THE RESIDENTS NOT THE CONDOMINIUMS AND ALL COSTS WILL BE YOUR RESPONSIBILITY.** We are helping in the arrangement for these to be done to get better prices only. This is your choice to participate or not. It is estimated that each railing will cost somewhere between \$80 to \$100 to have sandblasted and painted. We are working on getting a price for the window grates. We are also working on getting a price for brand new railings. If you would be interested in participating in this project, please email Larry Johnson at: [tolarry8@gmail.com](mailto:tolarry8@gmail.com) and give him the an explanation of what you are interested in.

## **DUMPSTERS & RECYCLING**

Just a reminder, the dumpsters are not to be used for remodeling debris. We also all need to remember to flatten boxes going into recycling. We appreciate all your support

### **Grandview Condominiums Board**

Vice President – Physical Facilities, RV,  
Keys

Larry Johnson 801 420-3726

## **WELCOME TO OUR NEW RESIDENTS**

**-By Deanna Bean**

### **Mikel & Lauren Cressman**

Mikel & Lauren Cressman are living at 1750 Cobblestone while both are attending BYU. Lauren is the daughter of Joel & Jolene Campbell. They met many years ago through their fathers teaching together in the BYU Communications Dept at family social events. They dated a few times before each going on a mission, but things didn't get serious until after their missions. Mikel served in the Riverside, CA (Spanish speaking) mission and Lauren served in the Atlanta, GA mission. Their relationship changed from casual family friends to courtship a couple months after Lauren returned home. They were married just over a year ago on Dec 17, 2017 in the Provo City Center Temple.

Mikel is studying Psychology and plans to pursue a PhD. Lauren has a year left of her degree in Art Education. She hopes to teach locally while Mikel finishes his schooling. Lauren works at the BYU kindergarten teaching art and at the BYU Museum of Art. Mikel also works as a research assistant at BYU researching LDS war veterans for the religion dept. Lauren will work at Sundance this summer as the Kids' Camp art instructor. They love to hike, camp, play video games, and hanging out with family. They have a pet bearded dragon named Norbert (for you Harry Potter fans).
